

- ⊗ Seamless Copper Pipe
- ⊗ Aluminum Fins
- ⊗ Mild Steel / Stainless Steel
- ⊗ Used for tumblers type driers or custom made driers
- ⊗ Design and size are made as per customer specification and requirements

*Heat Exchanger*

- ⊗ Body structure Stainless Steel
- ⊗ Reasonable design and Simple operation
- ⊗ Design structure can be changed to the different configuration of production process or customer specification and requirements

*Mixture Tank*
